This duo has been privileged to share the platform with some of today's best-known Christian leaders, including Billy Graham, Dr. Adrian Rogers, Dr. Jack Hayford, Coach Bill McCartney and Promise Keepers, Jim Cymbala and the Brooklyn Tabernacle Choir, Focus on the Family, Dr. David Jeremiah, Don Wildmon and the American Family Association, Kay Arthur, Bill & Gloria Gaither and their Praise Gatherings, and many others.

As songwriters, they have had noteworthy success winning Dove Awards and award nominations. Artists across a wide range, including The Brooklyn Tabernacle Choir and Carrie Underwood, have recorded many of their songs.

Both of the Franklins are accomplished singers and songwriters with years of experience. Terry began singing as a teenager in his hometown of Miami, Florida, and for a brief time, from 1992 to 1994, joined the Gaither Vocal Band for some of their concerts and a couple recordings. Together, the Franklins appeared in many of the Gaither's concerts, as well as being featured at numerous Praise Gatherings and Jubilate's. Barbi grew up as the youngest singer of the internationally-known Musical Murk Family from Wheaton, Illinois. Before marrying Terry, she traveled for 18 years ministering throughout North and South America, Europe, and Israel giving her a wealth of experience in music and speaking presentations world-wide.

This team has produced 12 recordings and authored the book, "Reviving Your Romance: 40 Days to a Better Marriage," a concisely targeted devotional for married couples, released in 2006. Both their sons, Tyler and Travis, are recently married.
